

# a Better Way does exist

Introducing a program designed with you in mind.

## The Total Solution

The Comfort Club is a total comfort and preventative maintenance solution. Just like a car, our air conditioning and heating systems need regular maintenance in order to operate at the level they were designed to achieve. Through regular biannual inspections and maintenance we are able to make your system purr. Unlike other preventative maintenance programs, the Comfort Club is a comprehensive solution including all the cleaning, tuning, and lubrication your system needs while offering you a higher standard of care.

### Including but not limited to:

- Outdoor Unit Cleaning
- Blower Cleaning
- Lubrication of Moving Parts
- Biannual Drain Clearing
- Evaporator Coil Cleaning
- Burner Assembly Cleaning
- Pilot Light Cleaning
- Cooling Capacity Tuning

## More than Just Maintenance....

At Aardvark A/C, we are interested in making you comfortable in everything we do. We believe that high light bills, unexpected breakdowns, fine print, confusing levels of bureaucratic details, juggling work plus your contractor, and 8am to 5pm operational hours are uncomfortable.

**FlexHours** Appointment times after 5pm and on weekends at no additional charge.

**Real "No Phone Required" Online Scheduling.** Ready when you are, even at 2am. Pick your top three preferred slots and receive a confirmation email with your appointment time within 24 hours.

## Why Maintain?

Because maintenance....

- Lowers Electric Bills**
- Eliminates Noise Issues**
- Prevents Avoidable Repairs**
- Lengthens System Life**
- Ensures Safe Operation**

**One2One Emergency Connect** *Direct Members*  
Only access to a technician when you need him the most.

**Preferred Customer Discount** Off all repairs, additional maintenance, and equipment replacements to reward you for loyally taking care of your A/C with us.
